The KUPA Station

Customizable to Your Environment and Needs.

Offices

Take care of your employees & customers while reducing waste.

Convenience Stores

Delight your customers with refreshing beverages in a variety of flavours.

Universities

Provide healthy, allergen-free drink options anywhere on campus.

Benefits

Small Footprint

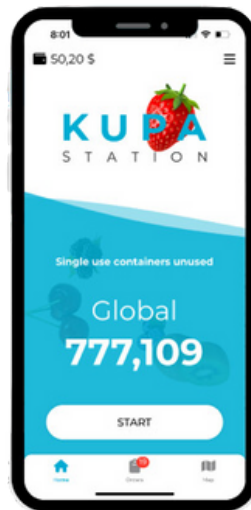

Say goodbye to single-use plastics and cans, and opt for sustainable hydration with KUPA.

Consumable Revenues

Generate revenues on consumables and reduce costs, as you save on bottles, cans and deliveries.

Customizable Display Screen

Spark engagement with a stunning 32" interactive display perfect for personalized messaging.

Mobile Application

The KUPA Station mobile app provides nearly identical options as the station touchscreen, allowing users to pre-order their drink ahead of time. Upon arrival, simply scan the QR code and your drink will be delivered.
